Education

Bachelor of Computer Science and Artificial Intelligence, Nile University 2022 - 2026

Major: Big Data & AI GPA: 3.82/4.00

Professional Experience

Content Creator (Part-Time) | AJED Agency 05/2026 - Present

- Create engaging social media content, copywriting, and website content aligned with clients' brand identities and marketing objectives.
- Manage client accounts and attend client meetings to understand requirements and coordinate project execution.
- Conduct market research and develop content and branding strategies based on target audiences, market trends, and client goals.

Marketing Specialist & Content Creator | RE Developments 06/2026 - Present

- Managed social media platforms and content scheduling using Meta Business Suite
- Created engaging marketing content, captions, and creative concepts for real estate projects.
- Supported digital marketing campaigns, including media buying, Meta Ads management, audience targeting, and lead generation.
- Monitored campaign performance and engagement metrics to optimize results and improve brand awareness.

Marketing Specialist | Shaheenz Investment 04/2025 - 05/2026

- Managed and grew social media accounts across Meta platforms by engaging with influencers, creating content, responding to leads, resulting in increased account reach and qualified inquiries.
- Tracked and followed up on inbound leads generated through social media campaigns and real estate marketplace listings.
- Planned and managed a monthly social media content calendar for Meta platforms, scheduling posts, stories, and promotions to maintain consistent audience engagement.
- Moderated social media pages by responding to comments and messages, maintaining a positive brand image and engaging with the community.

Sales Ambassador | Valu 11/2024 - 01/2025

- Promoted the brand and increased engagement by driving sign-ups and activating new accounts through peer outreach.
- Assisted with financial inquiries and supported customer onboarding to enhance program participation.

Intern | AAIB Bank 07/2024 - 08/2024

- Assisted customers with their daily banking needs, answered their questions about accounts and transactions, and made sure they left the branch with a clear answer.
- Stayed calm and helpful during busy hours, supported the customer service team, and made sure every client felt comfortable enough to ask whatever was on their mind.

Junior Teaching Assistant | Nile University 09/2023 - 02/2024

- Assisted computer science students in understanding Python programming concepts and debugging code.
- Supported the development of problem-solving skills through hands-on guidance and practical examples.
